

## The Richard S. LeClair Memorial Scholarship

This scholarship is being offered to honor the memory of Richard S. LeClair, a lifelong resident of Bristol, graduate of Bristol Central High school, youth mentor for many years and steadfast supporter of the importance of education. Richard earned his post-secondary degree in engineering and spent his life working in many areas of the manufacturing and engineering fields. This scholarship is available to seniors at Bristol Central High School, Bristol Eastern High School and St. Paul Catholic High School (Must be a Bristol resident). The 2014 award recipient(s) will receive a non-renewable scholarship of \$500.00-\$1000.00.

### Scholarship Qualifications:

- Students must be graduating from high school in 2014 and planning to attend a two or four year accredited college or university, trade or technical school.
- Students must also be planning to pursue a degree in the field of engineering or manufacturing.
- Students should have a minimum of average grades and school/community involvement.

### Application Procedures:

1. Complete the application.
2. Write an essay describing your post secondary plans and reasons for pursuing a degree in the engineering or manufacturing fields, including why you feel you should receive this scholarship.
3. Attach a transcript of your grades.
4. Attach one letter of recommendation.
5. Applicants may include a paragraph of additional information relative to your personal circumstances which would be helpful to the committee in evaluating your application.
5. Applicant may be asked to participate in a final selection interview.
6. All completed applications must be returned to their schools guidance office by:

**Friday May 2<sup>nd</sup> 2014**
